53rd THE AIR RALLY

June 22-25 2017

2017 Winner Tim Rohan and Michael Saboff

- The 53rd annual Air Rally is two days of skill, aviation & fun!
- The Rally is a 500-mile VFR cross-country challenge, flown in two legs. It is NOT a speed event; fuel management and navigation skills determine your score.
- After a day of Reno's Saturday activities, pilots enjoy an awards party with great food, trophies, awards and door prizes.
- All types of piston aircraft are accepted. All certificated pilots and guests are welcome. A great opportunity to test your flying skills for prizes and trophies or just have fun and enjoy the camaraderie.
- Rally proceeds fund up to three EAA Air Academy Scholarships for deserving students.
