# HAYWARD AIR RALLY

2022 Winners Rob Kirkpatrick and Chris Lea

• The 59<sup>th</sup> annual Hayward Air Rally is a day of skill, aviation & fun!

• The Rally is a ~200-mile VFR cross-country challenge. It is NOT a speed event; fuel management and navigation skills determine your score in this one day event.

• After a day of flying Saturday, pilots enjoy a BBQ at Livermore with awards and trophies. Socializing can continue in the hospitality room.

• All types of piston aircraft are accepted. All certificated pilots, guests and students with instructors are welcome. A great opportunity to test your flying skills for prizes and trophies or just have fun and enjoy the camaraderie.

• Rally proceeds fund aviation related scholarships.
