This airport:

- M. Has no hangars or services visible**
- N. Has two (2) hangars**
- P. Has a parallel taxiway on the south side**

If you saw two (2) hangars, maybe you were looking at Southard (O55), in Bieber, CA with Runway 4/22 instead of Runway 9/27...oops.

Checkpoint 6: Tulelake

There seem to be two pieces to this town. The smaller part, ~0.5 miles to the west of the street grid and next to the creek has a:

X. Water tower shaped like a golf ball on a tee

Y. A helipad

Z. A sawmill

How did you do?

Did you find them all?

Remember, if this was easy, everyone would do it.

**Where they where you thought you were, er,
thought they were?**
