

2020 EAA Air Academy

Aviation Summer Camp Scholarship

Sponsored by the Hayward Air Rally

What is the EAA Air Academy?

The EAA Air Academy is a unique summer camp that takes a young interest in aviation to the next level. Participants spend a week at the Air Academy Lodge in Oshkosh, completely immersed in the thrilling world of aviation. Top-notch instructors help to explore the world of flight through aviation studies, hands-on activities, flight simulation and many other exciting experiences. The highlight of the week is a flight in a real airplane! These camps provide the foundation for a lifelong love of aviation as well as the opportunity to create friendships with fellow aviation enthusiasts.

From the moment a student arrives, the sky becomes the goal as a dynamic aviation experience unfolds and close friendships with fellow aviation enthusiasts begin. All camps are conducted at the EAA Leadership Center in Oshkosh, with the residence portion of the program at the impressive Air Academy Lodge.

The EAA Advanced Air Academy provides an atmosphere for mature students to become totally immersed in the world of flight. Ground instruction and introductory recreation flight experiences highlight this meaningful, action-packed camp. It combines "in-the-air" and "on-the-ground" hands-on activities.

The EAA Advanced Air Academy also includes full participation (access to forums, flight-line and all associated activities) in [EAA AirVenture Oshkosh](#) - the world's premier aviation event!

The Air Academy Lodge is a 56-bed facility complete with great room, kitchen, dining room, computer room, conference space, flight simulation lab and recreational facilities. The dates for the Advanced Air Academy are July 24 – August 1, 2020. For more information on the Air Academy please refer to [the EAA Air Academy website](#).
